# F.L.O.P. CLUB

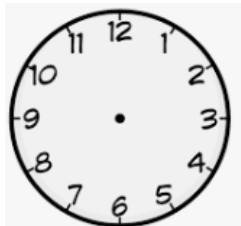

## First Rule of F.L.O.P. Club

You can talk about F.L.O.P. Club ... please do!

F.L.O.P. Club is an opportunity for senior JAG mentors to get together with junior JAGs in a friendly atmosphere to pass on to you all the real-world followership, leadership, officership, and professionalism skills you will need to thrive and survive in your JAGC career. From email etiquette, to how to communicate with senior officers/commanders, to developing a leadership style, to functioning as a member of a team in competitive environments, to treating subordinates with dignity and respect, to giving and receiving feedback, to leading from below, and more, F.L.O.P. Club's goal is to provide you practical advice and start you thinking what each aspect of the F.L.O.P. skills mean to you as you start to apply them on a day-to-day basis.
